

Derwood Station Homeowners Association, No. 21
Candidate Qualification Statement
Board of Directors

Name: Jack Krakower

Address: 7441 Mahaska Drive

I have served on the HOA Board for three years. It's been an opportunity to both improve the community and work with very caring, thoughtful, and considerate people. For these reasons, I am willing to serve again. However, I believe that the community would greatly benefit from participation by a new member that brings new perspectives to the Board's deliberations. I am, therefore, willing to withdraw my application to allow participation by a new community member. Serving on the Board entails little more than a 1-2 hour commitment each month. It really is an opportunity to help make our community a better place, and work with very fine people.
