Subject: Rock Creek Conservancy CBT Grant - Conservation Landscaping Special BOD Meeting

Dear Neighbors – The Chesapeake Bay Trust has approved our application for a grant to provide conservation landscaping in Common Area 2 (the area bounded by Mahaska and Buena Vista Drive. Please review the attached Narrative regarding the work that was proposed. Note that several months ago I sent you information and links on the CBT call for conservation proposals and on the Rock Creek Conservancy (RCC) an organization we have partnered with to submit the application and manage the proposed work.

I have called a special meeting of the Board of Directors so we can meet with the CBT and RCC principals and discuss details of the project. The meeting will be held this coming Saturday, January 16 at 4pm at Tom Jordan's home (15708 Kanawha Court). If you wish to attend, please notify me in advance. After the meeting, I will distribute a summary of the plans, schedule, budget and funding. The Board will discuss and vote on accepting the grant at our January 23 regular meeting. The CBT requested this commitment by February 15 and would begin work by mid-May. Interested homeowners may attend that meeting as well and again should notify me if they plan to attend.
